YOUNG PEOPLE'S LEAGUE CONCERT PROVES SUCCESS

"That's the best concert of its kind I have ever heard in Honolulu," declared one of the audience at the opera house on Wednesday night when the Young People's league gave a musical entertainment under the direction of Charles E. King.

The ability of the Hawaiian in chorus and part singing was again emphasized, the rich harmony of the songs of old Hawaii being one of the successful features of the evening. The entertainment, on the eve of Kamehameha Day, was appropriately reminiscent of old times. Some of the stage effects were picturesque, particularly the scene entitled, "In the Woods of Old Hawaii." Berger's orchestra played the music. The program:

MRS. LENA BALDWIN, WELL-KNOWN, PASSES

Mrs. Lena Baldwin, wife of H. J. Baldwin, who has been a resident of Honolulu for many years and whose circle of friends number many scores, died in this city yesterday afternoon at one o'clock.

Mrs. Baldwin had been in poor health for a number of months, and during the last fortnight her condition had been growing steadily worse, and though a determined fight was made for her recovery, her death was not unexpected. Mrs. Baldwin is survived by a husband and a son. She came to Honolulu with her husband 14 years ago. She was a member of the Iei Aloha Chapter, Eastern Star, and it will be under the auspices of that chapter that her funeral will be held. The services will take place at the Williams' undertaking parlors at one o'clock this afternoon. Rev. A. A. Ebersole officiating. The remains will be cremated.

HUSBAND AND WIFE RENEW FIGHT OVER THEIR CHILD

After Judge Robinson of the circuit court had set aside the order to show cause why John E. Roberts should not be punished for contempt of court, not having obeyed its order to surrender the custody of Roberts' child to the wife, a petition was filed in the circuit court Wednesday by Mrs. Roberts praying that a guardian be appointed to take charge of her child.

The husband's unwillingness to care for the child is charged as a basis for the petition. The woman alleges that the four-year-old son is being taught by his father to smoke cigarettes and drink whiskey, the determination of Roberts being, she alleges, to make a "sport" of the boy.

Brown Elected Secretary. Following considerable discussion, which involved the introduction and amendment of several motions, Raymond C. Brown was elected secretary upon the motion of James A. Kennedy.

The motion, which was carried unanimously, contained a clause that the secretary receive a monthly salary of \$250 and that \$25 a month be set aside for stenographic and clerical assistance, such fund to be expended at the discretion of the secretary.

A communication from V. O. Smith was to the effect that the new amended charter had been completed. Honorary membership was conferred upon the governor of the territory, the commander of the Hawaiian department and the commander of the naval station upon motion by E. I. Spalding, and upon the mayor of the city and county of Honolulu as the result of a motion made by Wallace R. Farrington. The members of the board of directors accepted an invitation from the Honolulu Ad Club to be present at the luncheon next Tuesday noon, at which time there will be a public discussion of the Kalih harbor extension. The board referred various matters in connection with Kalih harbor to the committee on maritime affairs.

In response to a cablegram recently sent to former Governor Walter F. Frear in Washington, to the effect that the Chamber of Commerce of Honolulu had cabled to the senate appropriations committee protesting against the reduction of the present salaries of the governor and secretary of the territory, and urging that, if any action was to be taken it should be an increase of these salaries, a communication was read from Mr. Frear to the effect that he and Secretary Desha have called upon senators and representatives and discussed the matter with them, and that the present prospects for success are very bright.

MYSTERY STORY IS FEATURE AT EMPIRE

An absorbing story which scents of mystery from the start and retains the interest of the spectator to the finish, will be featured at the Empire theater this afternoon and evening in the presentation of the drama, "Dynamite." There is a wealth of scenic effects, the photography being pronounced excellent.

The Empire theater program includes a collection of late mainland releases of which "The Hostage" is a picture with no end of thrilling adventures and hairbreadth escapes.

A story that is well worked out and leaves a good impression is depicted in "The Southland," and has much to do with life in the great south-west in the days when plainsmen justice prevailed.

Among the list of comedies to be included in the new bill is "His Mother-in-law's Visit." In this picture comedians of note are seen in a vehicle that calls for about the regulation laugh each minute.

The Empire feature of the world's happenings brought before the spectator by the aid of the camera will be offered today.

A Better Remedy Than Nasty Salts

Few people like to take physic, especially salts, because they are so disagreeable to take and because of the griping and pains they cause. Rexall Orderlies enable you to take less physic, and all without griping, purging or excessive looseness. Salts and harsh physics usually give only temporary relief and often leave the bowels worse off than before.

Rexall Orderlies move the bowels promptly, and soothe, tone and strengthen the intestinal muscles, leaving them healthy and regular in action. They taste like candy, and the movement they cause is as easy and natural as though your bowels were in perfect health and you never had to take any physic at all. We have so much faith in Rexall Orderlies that we urge you to try them with the understanding that, if they do not satisfy you in every way, all you have to do to get your money back is to tell us. We honestly believe them to be the best bowel remedy made. In vest pocket tin boxes; 10c, 25c, 50c.

You can buy Rexall Orderlies at the Rexall Stores, and in this town only of us. Benson Smith & Co., Ltd., Honolulu—advertisement.

Shamrock, Mo.—"I feel it my duty to tell the public the condition of my health before using your medicine. I had falling, inflammation and congestion, female weakness, pains in both sides, backaches and bearing down pains, was short of memory, nervous, impatient, passed sleepless nights, and had neither strength nor energy. There was always a fear and dread in my mind. I had cold, nervous, weak spells, hot flashes over my body. I had a place in my right side that was so sore that I could hardly bear the weight of my clothes. I tried medicines and doctors, but they did me little good, and I never expected to get out again. I got Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and certainly would have been in grave or in an asylum if your medicines had not saved me. But now I can work all day, sleep well at night, eat anything I want, have no hot flashes or weak, nervous spells. All pains, aches, fears and dreads are gone, my house, children and husband are no longer neglected, as I am almost entirely free of the bad symptoms I had before taking your remedies, and all is pleasure and happiness in my home."
